

Hello Oregon Athletic Administrators,

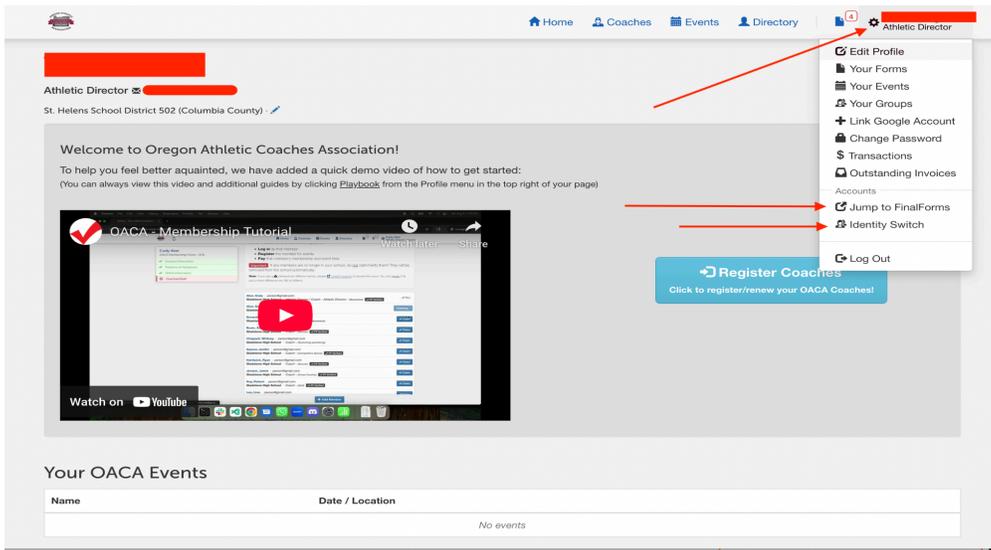

The FinalForms Team is proud to have partnered with the Oregon Athletic Coaches Association (OACA) to help drive membership, organize event registrations, and provide a communication platform to their members.

1. As you know, we currently offer an association management platform for the OADA - Oregon Athletic Directors Association.
2. As well, many of you use the FinalForms technology as your online registration solution for your athletic departments.
3. With all this integration, we want to provide information that will help in purchasing OACA memberships for your staff and coaches.

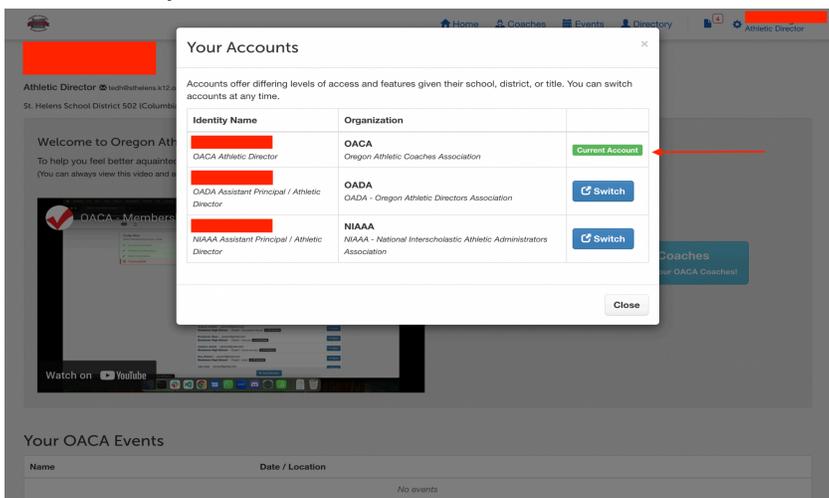

Please find information below for your OACA account:

1. You can log in to your account from the link provided: <https://oaca.finalforms-amp.com>

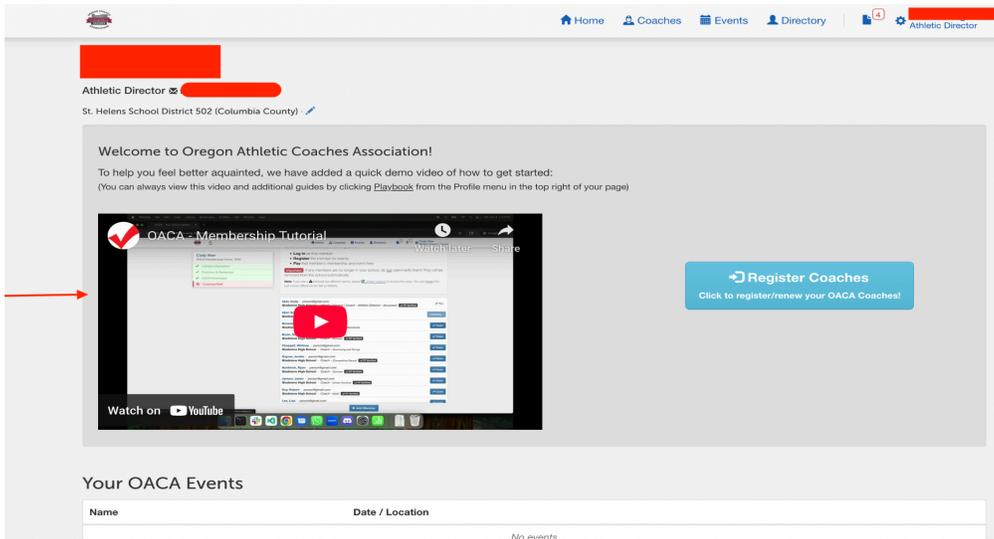

Or you can IDENTITY SWITCH at any time from your OADA account. Also, find that you can JUMP TO FINALFORMS school installation.

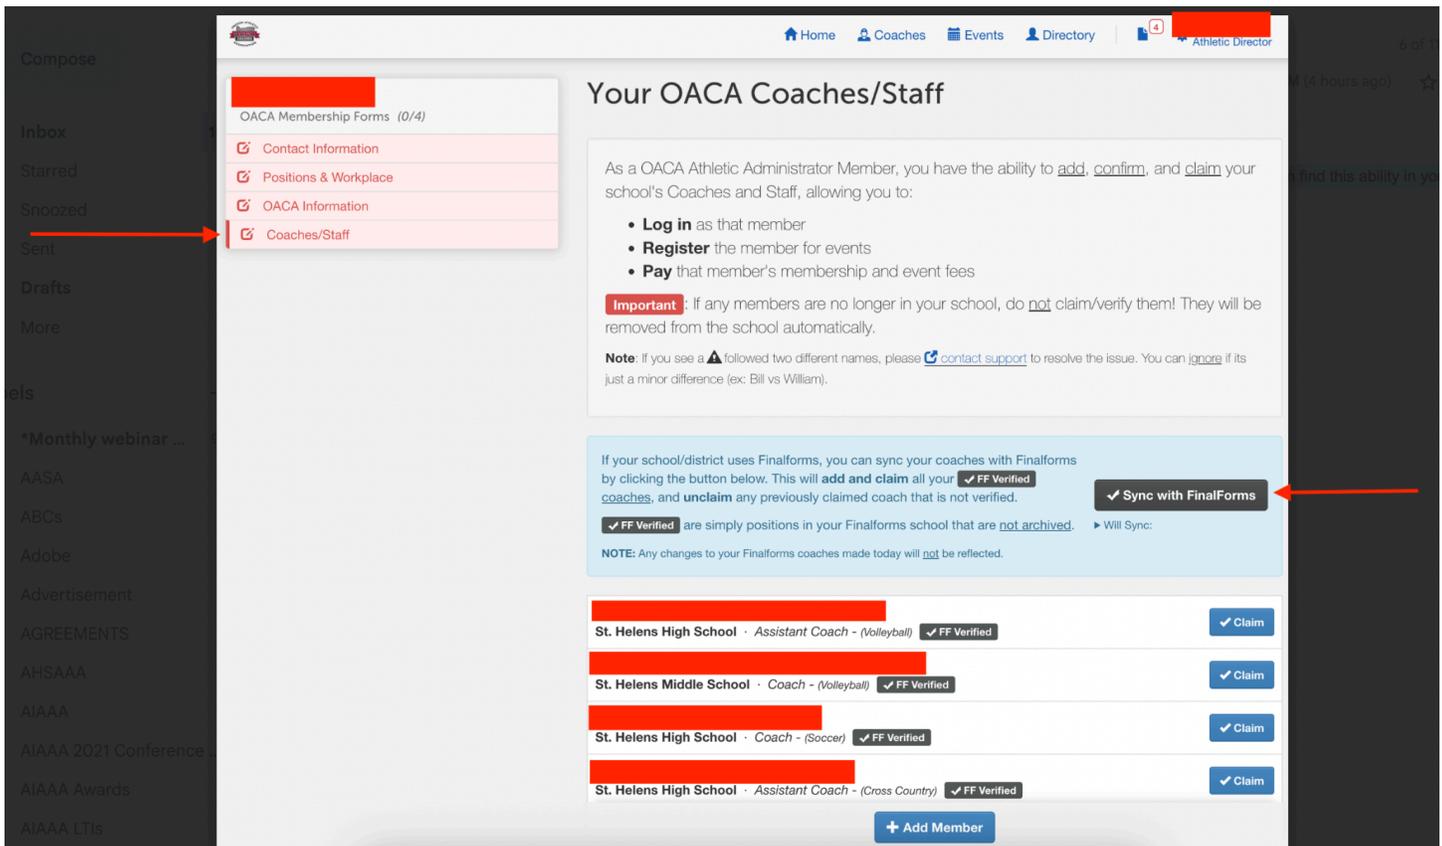

2. If you need to IDENTITY SWITCH from your NIAAAA, to OADA, to your OACA account, select from any of your accounts based on the association you would like to work in and need information from.

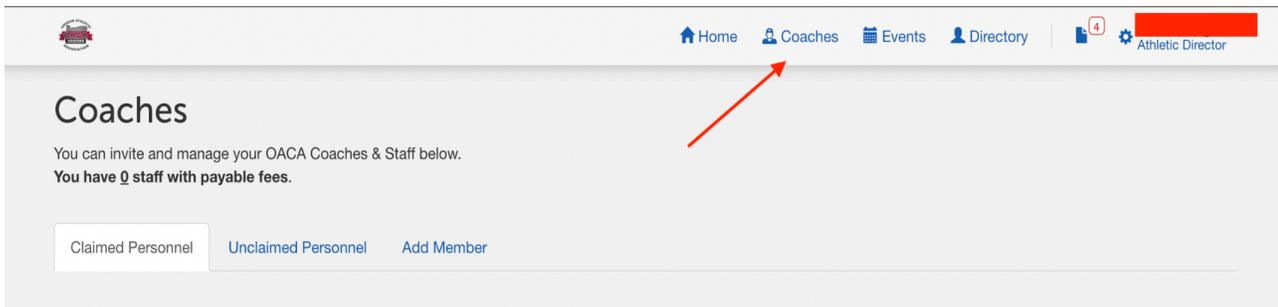

3. Upon logging into your OACA account, you will find a brief video to watch that provides step-by-step instructions.

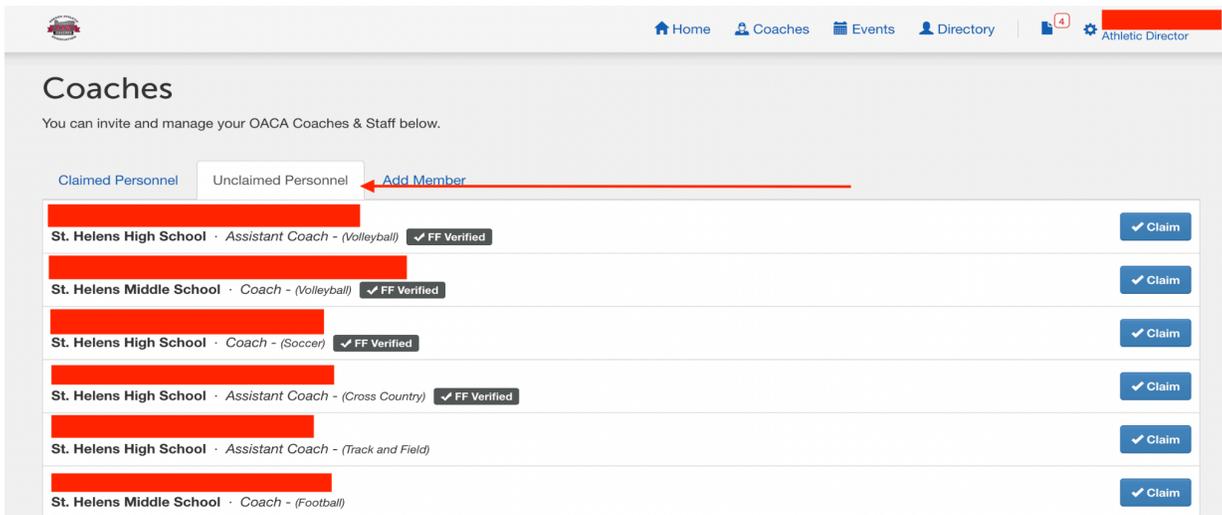

IF YOUR SCHOOL/ATHLETIC DEPARTMENT IS USING FINALFORMS: You can automatically sync your FinalForms coaches. You can find this ability in your OACA forms, which you are walked through in your OACA AMP account. Once all forms are completed, you can proceed to the checkout process.

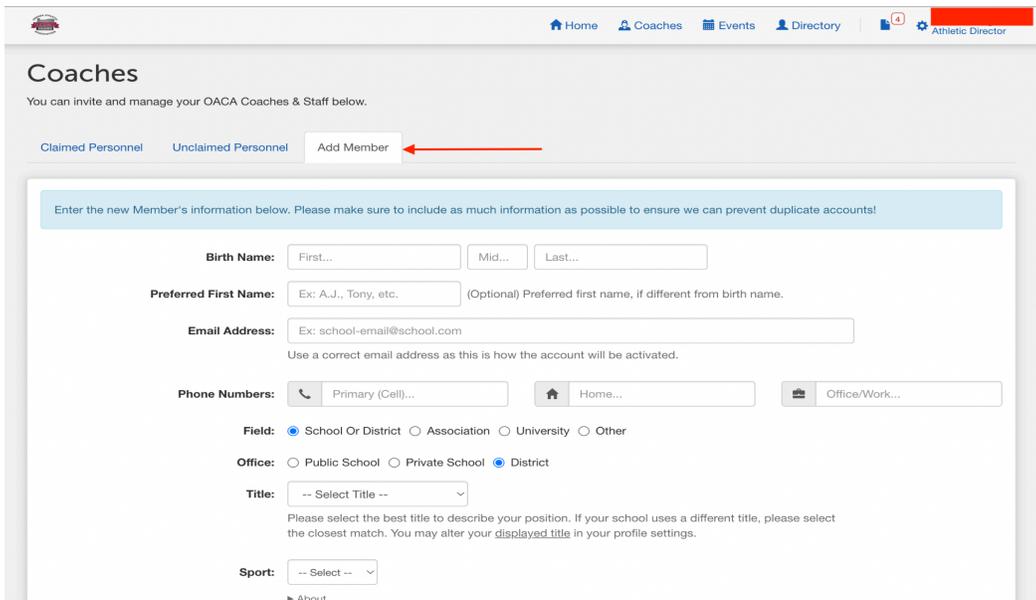

IF YOUR SCHOOL/ATHLETIC DEPARTMENT IS NOT USING FINALFORMS: Not a problem, from the toolbar, select the COACHES icon to take you to the CLAIMING process for your coaches.

4. On the Coaches page, select the UNCLAIMED PERSONNEL tab. This is where you will find the list of your verified coaches from your FinalForms installation or coaches connected to your school from the OSAA database.

5. If you have newly hired coaches or coaches not appearing, you can also ADD MEMBER to your list of coaches.

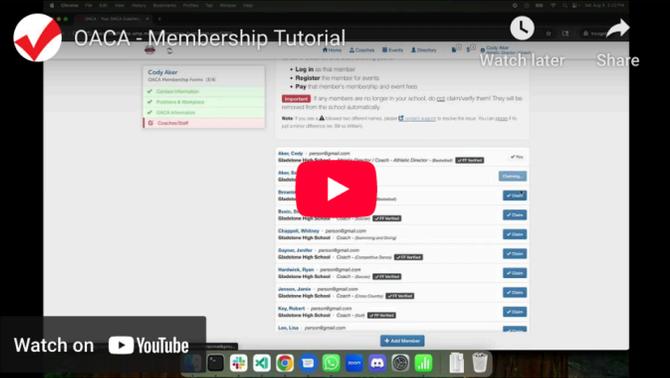

6. Feel free, at any time, to reach out to our Support Team by selecting the USE SUPPORT button at the bottom of any page in your account.
